MEMORANDUM FOR: Miss Eloise R. Page
                    Deputy Director, Intelligence Community Staff

THROUGH: ICS Personnel Officer

SUBJECT: Approval to Hire [   ]

   1. This memorandum requests your approval to hire [   ] as
a permanent cadre member of the IC Staff to fill the position of senior
operations data base analyst in the Tasking Segment Branch of the System
Integration Division, COMIREX Staff. [   ] is a GS-13, Step 5, currently
serving as Group Leader for the Imagery and Humint Requirements Group at FTD,
Wright-Patterson AFB, Dayton, Ohio. We propose to hire him at the GS-14 level
and slot him against position HL 734 which we would take steps to have
upgraded from GS-13 (PGR) to GS-14. Alternatively, we would slot him against
one of our authorized overage positions. [   ]

   2. We have been trying to fill this important position with a rotational
assignment from throughout the Intelligence Community and have been unable to
get any other qualified candidates. We have circulated vacancy notices on two
separate occasions, and we have announced the vacancy in several Community
forums to no avail. [   ] has expressed a strong interest in the
position but only if he is accepted as a permanent cadre employee. [   ]

   3. [   ] is an ideal candidate for this vacancy. He has good
analytical skills and experience in the use and management of large data base
systems, and he is familiar with the use of the CAMS system. I firmly believe
that [   ] has the ability to move into a variety of more senior
positions on the COMIREX Staff or elsewhere on the Intelligence Community
Staff in the years ahead. [   ]

   4. Your approval to proceed with this appointment is strongly
recommended. [   ]

[   ]
V   Chairman

APPROVAL:
[   ]
Deputy Director, Intelligence Community Staff
